

WEEKLY UPDATE

Updated as of Thursday, March 29, 2018
 Editor: Clark Abrahamson

Our guests last Tuesday:

Brian Howell (looks like he'll be joining!)

Clark Rasco (application in progress!)

You guys make a big difference - welcome!

Y'know what? We may be - we just may be - on a roll! We're good - and getting better. Thank you all for your commitment!

We need people to do some show stuff on the day of the show (April 28th) - like sell tickets at the door, direct people, collect ticket stubs, etc. Do any of you guys have wives/significant others/kids/friends able to do that? It's worth a free ticket to the show! Please ask, and let Joe or Clark know. Thank you!

Only 4 rehearsals until our show! Our aim is to pleasantly surprise our audience! Let's keep it up!
 And remember -
